STATUTORY ELECTRONIC EVIDENCE CERTIFICATE (BSA 2023 SEC 63)

I hereby certify under Section 63 of the Building Safety Act 2023 that the photographic and telemetry records compiled in this certificate were generated autonomously using hardware-backed keystore attestation (Knox/TEE), sequentially anchored with SHA-256 hash chains, and sealed with RFC 3161 timestamps without post-capture tampering.

FORMAL DEPOSIT ADJUDICATION NOTICE

This document constitutes prima facie admissible electronic evidence in tenancy deposit dispute adjudication under TDS, DPS, and MyDeposits statutory schemes. Counterparties may inspect cryptographic proof using the embedded QR code witness protocol (Phase C5). Verification status: VALID & CRYPTOGRAPHICALLY UNBROKEN.
